

BENDING TECHNOLOGIES IN AND OUT OF ACADEMIA

The Graduate Center's
New Media Lab and
Intermedia Arts Group
Present Expo 2006:

Featuring presentations by ground-breaking electronic composer **MORTON SUBOTNICK** with an interview by **DAVID GRUBBS** and a performance by the creators of **THIS SPARTAN LIFE** a talk show residing in the online Halo® multiplayer universe.

Friday, Nov. 17th 5:30-9:00pm
in the Martin Segal Theatre

CUNY Graduate Center, 365 Fifth Ave.
(btwn 34th and 35th)
Trains: B D F V 1 2 3 6 N R Q W

This exciting participatory event will showcase artists, students, and scholars who are mixing media technologies in unusual ways, breaking ground in communications, creativity, and academia.

Participants will include CUNY faculty working in the field of experimental media, The Graduate Center's Intermedia Arts Group, researchers from the New Media Lab, and special guests "This Spartan Life."
